## London

London is the largest city in Europe. It has held this title for over four hundred years. Over seven million people call London, the capital of the United Kingdom, home. One in ten people, who live in the United Kingdom, live in London. Three hundred fifty thousand people travel each day into London to work.

Due to London's location, it is a very dry all year. Although it is dry, London is often very cloudy. On average it rains mildly just about every other day.

More than a hundred of the world's major companies have their headquarters in London, making the city a major world influence. Most people from London work in a job that involves printing or publishing.
